

Dear Parents/Carers,

April 2023

I am very pleased to detail following our programme of extra-curricular activities on offer for our children. I thank all of our teaching staff who voluntarily give up their time to lead this programme of activities which enhances children's learning experiences.

Please discuss the activities available for your child and return an activity request slip to the class teacher (your child will bring home a permission slip today). All activities will commence week beginning Monday 24th April 2023. The number of places are limited and therefore, places will be allocated on a first come first served basis if numbers exceed the advertised number. If this is the case, a waiting list will be maintained. Spaces can be requested by requesting a permission slip from your child's classteacher.

For the clubs led by Soccer 2000, please see separate letter.

Each week, a register of attendance will be taken by the activity's staff member and it is important for your child to commit regularly to its attendance.

At the end of the session, children will be dismissed by their usual exit door. This will avoid congestion at the school's main entrance if more than one club is exiting at the same time. If you have any questions regarding an activity, please speak to your child's class teacher or a member of staff in the office will be happy to help.

Yours sincerely,

S Arnold
