

Theme

Commotion in the Ocean

We will be finding out about the oceans of the world and the creatures that live in and around them. We will use geographical vocabulary to describe physical features. We will learn about protecting the environment and the creatures within it.

English

We will read stories and use non-fiction texts based around the ocean. Using these texts we will research and write reports, also we will write persuasively. We use the Lighthouse Keeper's Lunch and other texts to write our own stories, letters and posters.

Commotion in the Ocean

Year 2 Spring Term 2024

P.E

P.E lessons will take place on a Wednesday and Friday.

- ◆ Spring One Dance & Basketball
- ◆ Spring Two Tennis & Gymnastics

Values Understand the consequences of our actions

Mathematics

Solve problems involving –

- ◆ Reading, writing, comparing and ordering numbers to 100
- ◆ Shape
- ◆ Statistics
- ◆ Multiplication and Division $\times 2$ $\times 5$ $\times 10$ moving onto $\times 3$ and $\times 4$

Home Learning

Homework will be set on a Friday, to be returned by the following Friday.

Spellings will be learnt at home and tested in school every Friday.

Times tables will also be tested weekly through Club sheets, please ensure your child practises these in addition to any weekly homework.

PSHE–

Spring One–
What are our rights and responsibilities?

Spring Two–
How to use popular internet sites safely – use of passwords etc

Science – Materials

- ◆ Know that there is a range of materials with different characteristics
- ◆ Know that some materials occur naturally and some do not
- ◆ Know to explore materials using appropriate senses and making observations and simple comparisons
- ◆ Know that materials often change when they are heated
- ◆ Investigate melting ice and plan a fair test
- ◆ Identify the suitability of a variety of everyday materials

ICT

Digital Film Maker

Learning how to search safely online to find images and film clips. We will use iMovie to create a short film about a sea creature.

Digital Musician

We will use the app Launchpad to make a soundtrack to accompany and enhance our film.

Digital Data Handler

We will collect data related to our topic, for example, favourite sea creatures and present it in a table and graph format.

Creative Arts

Music – Create a soundtrack to match an undersea film

Art – Appreciate the work of famous artists and create a seascape painting.

D&T – Recycled products made from plastic bottles.

Year 2 Class Assembly

9th February 2024
