

Oak Meadow Primary School Weekly Newsletter

Friday 15th March 2024 - Issue 23

A Message from Mr. Lane...

As we now approach the final week of the spring term, I reflect with pride looking back at the past week and the continued success of our school. From the stimulating science experiences children have enjoyed; our celebration of International Maths Day where children dressed phenomenally as rock stars and the fun of Comic Relief where empathy was demonstrated through charitable donations. The positivity of the week was perfectly encapsulated across two successful Parents' Evenings where I am thankful for your attendance to discuss the progress and attainment of your child. I know how valuable conversations are with your child's class teacher and the partnership we have between school and home has impacted fantastically well on children's work – I am sure you will agree their books are amazing! Next week, I hope you are able to join us for the maths workshops scheduled for different Year groups on Monday and Tuesday where you will be able to participate in classroom teaching and learning before Year 5 conclude the term with their Easter assembly. Take care everyone and have a lovely weekend.

Next week will see our Maths workshops on Monday and Tuesday morning. Therefore, there will be no Celebration Assemblies for the remainder of this term.

The first assembly after Easter will be a welcome back for the children meaning our next Celebration Assembly will take place on Monday 15th April with names of children chosen shared on the previous week's newsletter (week ending Friday 12th April).

Attendance and Punctuality

Thank you for making sure your child is in school every day and on time. Remember that our minimum attendance target for all children is **96%**.

Our combined whole school attendance for this week was **93.2%**

Make sure your child is an **Oak Meadow attendance HERO** (Here, Every day, Ready and On Time) by arriving between 8:35 and 8:45am each morning. Every minute counts over the school year:

5 minutes late each day = 3 days lost!

10 minutes late each day = 6.5 days lost!

15 minutes late each day = 10 days lost!

20 minutes late each day = 13 days lost!

30 minutes late each day = 19 days lost!
