Head Teacher: Mr S Arnold

2nd June 2020

Dear Parents/ Carers,

I am very much aware of keeping you informed of all Government guidelines as they are released for the reopening of schools. Yesterday, a new guidance report was issued entitled, 'Opening schools and educational settings to more pupils from 1 June: guidance for parents and carers'.

Opening schools and educational settings to more pupils from 1 June: guidance for parents and carers

Updated 1 June 2020

The link is as follows:

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june>

The guidance has been updated to reflect the Prime Minister's announcements that following the Government's five tests and associated evidence, the country can proceed with the reopening of schools for an incremental return for Reception, Year 1 and Year 6 children only at this time.

To further quote the guidance, the Prime Minister states, 'We hope that all primary school children can come back to school before the summer holidays, for a month if feasible, although this will be kept under review. Reducing the risks for children and staff is our utmost priority.'

It has been lovely this morning to welcome back some of our children in our planned phased return of two classes and to chat with parents and carers again. We look forward to the possibility of seeing more of you in the forthcoming weeks. In the meantime, please take care and keep safe.

Best regards, S Arnold (Headteacher)
