Head Teacher: Mr S Arnold

Monday 20th April 2020

Dear Parents/ Carers,

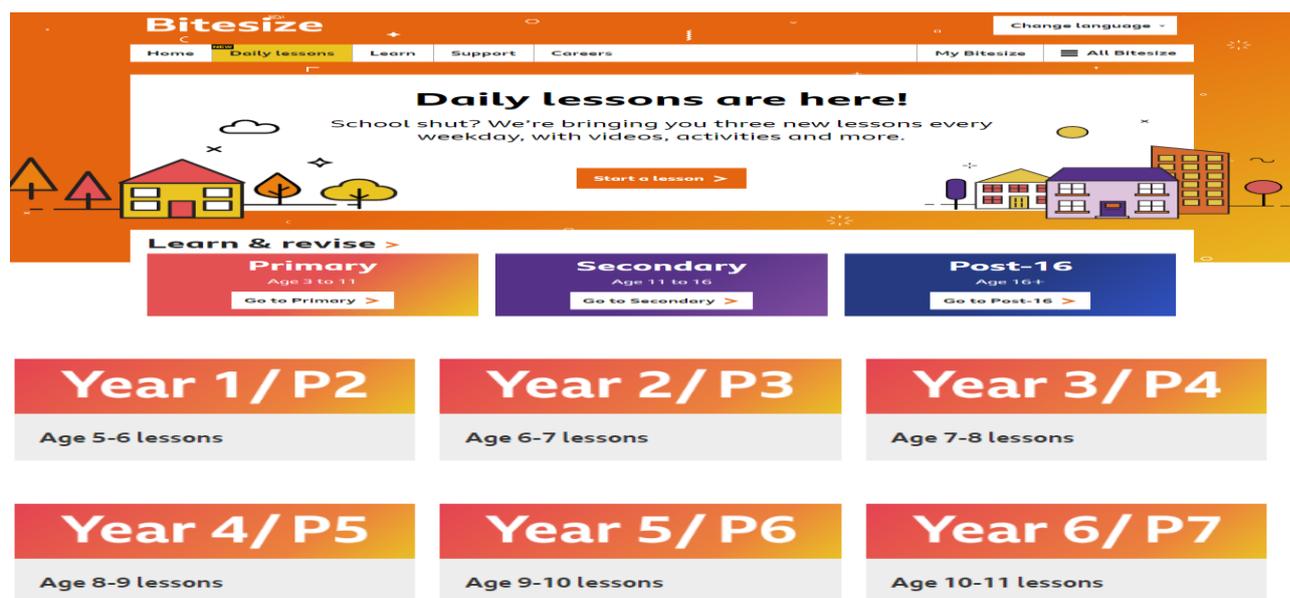

I write this letter and update trusting all our children and families are well. At this present time, School remains open for children of key working parents/ carers and for identified vulnerable children only. I am sure along with me, they send their best wishes, and I know from discussions with both children and staff, we are missing being altogether and remain optimistic for a return to school soon – only when instructed by the Government. You may have heard over the weekend, dates for when schools are reopening but as the Secretary of State, Gavin Williamson, stated yesterday (Sunday 19th April), the dates shared were fictitious and only when it is safe to do so, will schools reopen. Information I have received today, states that schools will be given adequate notice for their reopening thus giving time for me to relay the opening plans with you. The announcement can be accessed here:

However, whilst we remain in this period of lockdown, I refer you to television advertisements relating to BBC Bitesize, which details specific age-appropriate lessons for your child/ren. The address is:

[https://www.bbc.co.uk/bitesize?xtor=ES-211\[31406_PANUK_NLT_16_ENG_LifeandBirth_RET_O35\]-20200420-\[bbcbitesize_bitesizedaily_factualllearning\]](https://www.bbc.co.uk/bitesize?xtor=ES-211[31406_PANUK_NLT_16_ENG_LifeandBirth_RET_O35]-20200420-[bbcbitesize_bitesizedaily_factualllearning])

The opening page looks as follows and selecting the 'Primary Ages 3 to 11' option, opens up to a series lessons pertinent to each primary aged year group:

The screenshot shows the BBC Bitesize website interface. At the top, there is a navigation bar with 'Home', 'Daily lessons', 'Learn', 'Support', and 'Careers'. Below this, a banner reads 'Daily lessons are here!' with a sub-message: 'School shut? We're bringing you three new lessons every weekday, with videos, activities and more.' A 'Start a lesson' button is visible. Underneath, there are three main category buttons: 'Primary (Age 3 to 11)', 'Secondary (Age 11 to 16)', and 'Post-16 (Age 16+)'. Below these, there are six year group buttons arranged in two rows of three:

Year 1 / P2 Age 5-6 lessons	Year 2 / P3 Age 6-7 lessons	Year 3 / P4 Age 7-8 lessons
Year 4 / P5 Age 8-9 lessons	Year 5 / P6 Age 9-10 lessons	Year 6 / P7 Age 10-11 lessons

In addition, within the 'Primary Levels Ages 3 to 11' selection, there is an option for choosing either KS1 (Year 1 to 2) or KS2 (Years 3 to 6). Here, there is a range of subjects and lessons reflecting the breadth of the National Curriculum.

Until School and some normality resumes, I wish you all continued health and positive wellbeing.

With all best wishes from staff and I.

Yours sincerely, Mr Arnold.
