

Goodbye

I would to take this opportunity to say a huge thank you to all the children and parents I have worked with over the last 6 years. It has been a privilege to teach such a lovely group of children. I love the confidence and the personalities of our children at Oak Meadow and I wish all the children well on their continuing educational journey. I will miss their smiles, friendly greetings and their boundless energy. I hope they will always remember their early years experience at Oak Meadow with affection. Thank you once again and good luck in the future.

Mr.Horton

From tiny acorns **mighty oaks** grow...
