Head Teacher: Mr S Arnold

May 2020

Dear Year 6,

Hope this letter finds you well. We wanted to write to you all as we miss you so much and would love to find out what you've been up to!

How are you? We hope you are staying safe! The teachers at school are doing well (other than missing all of the children). What have you been up to? We've been busy at school looking after the key workers' children. Our favourite activities have been planting seeds, making bug hotels, learning to play the keyboard/piano, cross stitching, learning sign language and playing tennis! We've also been brushing up on our rounders skills- hopefully we still have chance to play the Year 6 vs Teachers game! Have you done any of these things or managed to learn a new skill yet?

It's been great to see lots of you accessing the learning we have set for you! Thank you so much for all of your hard work- we appreciate that home learning is not easy! Just keep trying your best.

We would really appreciate it if you could reply to this letter as we'd love to hear from you! It's up to you how you would like to reply- you could type a letter on a word document like this one, send us an email or even write it on a piece of paper and take a photograph on your phone. The length of the letter is totally up to you- if you only want to write a couple of lines that is fine. Please send all replies to esimcox@oakmeadowschool.co.uk who will forward it on to us and we will then send you a personal reply!

We are still hoping we can see you all soon! Remember our promise- we will make sure we have some sort of get together as soon as it is safe to do so.

Stay safe,

Miss Gough & Mrs Worrallo
