<b>18%</b>	<b>22%</b>	<b>40%</b>	<b>20%</b>	

Additional pupil comments:

- This has been a brilliant week! - Year 1 child.
- Thank you! This week has been outstanding especially the STEM tasks. I've loved how the teachers have worked. They all deserve a gold token. I loved how I graduated. I am so happy! - Year 2 child.
- I love it when Oak Meadow does new learning like this. I would like us to do it again! - Year 3 child.
- Amazing! This was an experience to remember forever! - Year 4 child.

- STEM was my favourite. I loved the crime scene investigation and I now know I would like to be a police officer when I grow up.
- I think the University of Oak Meadow has been a fantastic idea. I loved the displays in the Mental Health and Well-Being faculty and the Creative and Culture faculty. I loved the STEM mystery of who had stolen the gold tokens! - Year 6 child.

Visitor comments:

- Oak Meadow's staff and pupils - you have surpassed yourselves yet again. Absolutely stunning displays, varied activities and lots of smiling faces enjoying their learning. I am proud to have sent my children here. Thank you to all! - Parent feedback comment.
- Thank you so much for the experiences you give my children. The effort and commitment you all provide is outstanding! Loved the tour! - Parent feedback comment.
- Thank you for being an extraordinary school! Thank you for inviting us here today. Keep up the amazing work you all do! - Parent feedback comment.
- A fantastic week! My Reception age son has had a great time with the older children; he has really thrived this week. Well done to all involved! - Parent feedback comment.
- A very good morning enjoying the atmosphere, the work ethic, the fun! The staff and the 'friends' looked as though they enjoyed every minute of the teaching. Impressed and in awe of everyone involved in giving the children a fantastic education. Inspiring! - Councillor Philip Bateman, MBE.
- A fantastic school! Well impressed! - Councillor Rita Potter.
- The work you do here at Oak Meadow is truly inspirational! It is wonderful to see. - Dr. Martin Khechara Associate Professor for Engagement in STEM from University of Wolverhampton.
