In addition to our regular clubs and activities, you may recall from previous newsletters of our running of a brass music extra-curricular activity on a Monday, 3:15-4:15 pm. We originally set this session as a paid activity at £72.00 per year, however, we have reviewed this and would like to offer it to children with a musical aptitude at £2.00 per session paid half termly via ParentPay (unattended sessions not refundable). Mr Lock, a peripatetic teacher from Wolverhampton Music Service, leads the sessions and he is able to accommodate 20 children. Priority will be given to the children who have previously accessed the brass teaching session. Can I please ask parents / carers whose children previously paid, return the permission reply form indicating your child's commitment, interest and desire to carry on their learning. Remaining places will be allocated on a first come, first served basis – all permission forms for Brass tuition should be returned to Miss Mills in the School Office. Thank you.

A register of attendance will be taken weekly by staff and activity leaders, therefore, it is important for children to commit to the activity and to attend each week. Children must also be met promptly at the main school entrance at the designated activity's ending time. School rules apply to all these activities and therefore, staff have the right to suspend children from them if their attitude or behaviour contravenes our school rules. Thank you for your assistance.

Yours sincerely,

Mr Arnold  
Headteacher
