Key Stage 2 Statutory Assessment Tests Meeting

Thursday 6th February 2020

Agenda

Welcome and thank you for coming.

- The End of Year Assessment process explained.
- An opportunity to look at examples of the tests being taken by the pupils.
- An opportunity to ask any questions that you might have.

Key Stage 2 SATS

The new National Curriculum was assessed for the first time in May 2016 so this will be the fifth year that the new style of tests are undertaken.

This year's Key Stage 2 tests are timetabled for Monday 11th May to Thursday 14th May 2020.

Key Stage 2 SATS Timetable

Monday 11 th May 2020	English grammar, punctuation and spelling Paper 1: questions English grammar, punctuation and spelling Paper 2: spelling
Tuesday 12 th May 2020	English reading
Wednesday 13 th May 2020	Mathematics Paper 1: arithmetic Mathematics Paper 2: reasoning
Thursday 14 th May 2020	Mathematics Paper 3: reasoning

What are SATS?

- KS2 SATs (National Curriculum Tests) are tests children take at the end of Year 6. SATs test children on what they have learnt between Year 3 and Year 6.
- KS2 SATs are **mandatory** tests from the National Curriculum assessment programme.
- All state schools in England are required to provide the tests.
- They are marked externally and the results sent to school.

Reporting the Results

Scaled Scores

- All test outcomes at KS2 will be reported as scaled scores and you will be told whether or not your child has met the expected standard.
- The national (expected) standard will be 100.
- Raw scores (the number of marks awarded for each subject) will be translated to scaled scores using a conversion table devised by the Department for Education.
- You will be given your child's scaled score and whether they have reached the expected standard set by the Department for Education.
- ('NS' means that the expected standard was not achieved and 'AS' means the expected standard was achieved).
- No child will be awarded greater depth for Maths, Reading or Grammar, Punctuation and Spelling.

Reporting the Results

Scaled Scores Examples:

- A child awarded a scaled score of 100 is judged to have met the 'national standard' in the area judged by the test.
- A child awarded a scaled score of 110 is judged to have exceeded the national standard and demonstrated a higher than expected knowledge of the curriculum at the end of the key stage.
- A child awarded a scaled score of 94 is judged to have not yet met the national standard and indicates that the child may need more support to help them reach the expected standard.

Reporting the Results

- The test results will be available mid July and sent out in your child's end of year report.
- As already mentioned, a child's attainment at the end of Year 6 will be clearly reported to parents.
- High schools will use the information to set initial targets for the children. However, they will also conduct their own assessments to ensure that groupings and activities are tailored to meet the learning needs of all individuals.
- OFSTED use the SAT results as a key indicator of a school's effectiveness.
- Children's progress, as well as their achievement, will be measured and reported on in school performance tables.

The English Test

- Reading – 50 marks – 1 hour
- Grammar and Punctuation Test – 50 marks – 45 minutes
- Spelling test – 20 words – 15 minutes
- Writing – A Teacher Assessment of writing ability will be made in May/June 2020.

The Reading Test

- For this test there will be one reading book and one answer booklet.
- The test will last for **one hour** (including reading time).
- There will be a total of 50 marks available.
- There will be a range of texts including fiction, non fiction and poetry.

The Reading Test

20 *Into your pitiful shell, so brittle and thin*

In this line, the word *brittle* is closest in meaning to...

Tick **one**.

shiny.

soft.

delicate.

rough.

Some questions will test the children on their understanding of vocabulary.

The Reading Test

29

The iguanodons are described as *inoffensive brutes*...

Look at the paragraph beginning: *I do not know how long...* (page 8).

Explain how the descriptions of the iguanodons in this paragraph support the idea that they were both *inoffensive* and *brutes*.

Use evidence from the text to support your answer.

Others will require the children to deduce answers by using words or phrases as evidence.

The Reading Test

25 Circle the correct option to complete each sentence below.

(a) The story is told from the perspective of...

Professor
Summerlee.

Lord John.

Malone.

Professor
Challenger.

Some questions will ask the children to find literal answers from the texts.

The Grammar and Punctuation Test

- There is a specific focus on knowing and applying grammatical terminology with the full range of punctuation tested.
- Technical terms in grammar will be tested.
- There will be one test paper for grammar and punctuation and one test paper for spelling.
- The grammar test will last for **45 mins** and there will be a total of 50 marks available.

Circle all the **pronouns** in the sentence below.

They bought new jumpers for themselves and a warm scarf
for Dad.

Tick one box in each row to show how the **modal verb** affects the **meaning** of the sentence.

Sentence	Modal verb indicates certainty	Modal verb indicates possibility
It will be very cold tomorrow.		
John might have missed the train.		
Ann can speak six languages.		
You could finish your work by the end of the lesson.

The Spelling Test

There are 20 spelling sentences.

The spelling words are tested within the context of a sentence.

As the sentences are read out to the children, they fill in the correct spellings on their copy of the text.

Spelling

1. Sara wanted to be an explorer and _____ new lands.
2. The spy was sent on a secret _____.
3. For PE lessons, your clothes should be _____ and comfortable.
4. The _____ showed which way to go.
5. China is a large _____.
6. Laura won a medal for _____.
7. Not all berries are _____.
8. Sit up straight to improve your _____.

The Writing Test

- Writing is assessed differently to all other areas. There is no writing SAT. Instead, throughout the year:
 - Teachers assess children's writing in a range of different genres.
 - Children's grammar, punctuation and spelling skills will be assessed as part of their writing along with their creativity and writing style.
 - Schools will moderate their judgements with other local schools and may be moderated by their Local Authorities too.

The Writing Test

- Writing will be judged against the following criteria set by the DfE:

Working towards the expected standard

The pupil can:

- write for a range of purposes
- use paragraphs to organise ideas
- in narratives, describe settings and characters
- in non-narrative writing, use simple devices to structure the writing and support the reader (e.g. headings, sub-headings, bullet points)
- use capital letters, full stops, question marks, commas for lists and apostrophes for contraction mostly correctly
- spell correctly most words from the year 3 / year 4 spelling list, and some words from the year 5 / year 6 spelling list*
- write legibly.¹

The Writing Test

- Writing will be judged against the following criteria set by the DfE:

Working at the expected standard

The pupil can:

- write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (e.g. the use of the first person in a diary; direct address in instructions and persuasive writing)
- in narratives, describe settings, characters and atmosphere
- integrate dialogue in narratives to convey character and advance the action
- select vocabulary and grammatical structures that reflect what the writing requires, doing this mostly appropriately (e.g. using contracted forms in dialogues in narrative; using passive verbs to affect how information is presented; using modal verbs to suggest degrees of possibility)
- use a range of devices to build cohesion (e.g. conjunctions, adverbials of time and place, pronouns, synonyms) within and across paragraphs
- use verb tenses consistently and correctly throughout their writing
- use the range of punctuation taught at key stage 2 mostly correctly¹ (e.g. inverted commas and other punctuation to indicate direct speech)
- spell correctly most words from the year 5 / year 6 spelling list,^{*} and use a dictionary to check the spelling of uncommon or more ambitious vocabulary
- maintain legibility in joined handwriting when writing at speed.²

The Writing Test

- Writing will be judged against the following criteria set by the DfE:

Working at greater depth

The pupil can:

- write effectively for a range of purposes and audiences, selecting the appropriate form and drawing independently on what they have read as models for their own writing (e.g. literary language, characterisation, structure)
- distinguish between the language of speech and writing³ and choose the appropriate register
- exercise an assured and conscious control over levels of formality, particularly through manipulating grammar and vocabulary to achieve this
- use the range of punctuation taught at key stage 2 correctly (e.g. semi-colons, dashes, colons, hyphens) and, when necessary, use such punctuation precisely to enhance meaning and avoid ambiguity.[^]

[There are no additional statements for spelling or handwriting]

The Writing Test

- For writing, we will then report our decisions at the end of the year in terms of children:
- working towards the expected standard
- working at the expected standard
- working at greater depth within the expected standard

The Maths Test

- There will be three papers: 1 arithmetic paper and 2 mathematical reasoning papers.
- Questions in the **arithmetic test** will cover:
 - mental calculations
 - straight forward addition and subtraction
 - more complex calculations with fractions
 - long division and long multiplication
- *Gridded paper will be provided in answer spaces for questions on the arithmetic paper and for some questions on paper 2.*

The Maths Test

Arithmetic Test

- There will be 36 questions in the arithmetic test worth a total of 40 marks.
- The test will last **30 minutes**.

Mathematical Reasoning Papers

- There will be two mathematical reasoning papers.
- Each paper will be of **40 minutes** duration with a total of 35 marks per paper available.

The Maths Test

Questions taken from Paper 1 - Arithmetic

Access Arrangements

- Some pupils with specific needs may need additional arrangements to be put in place so that they can take part in the key stage 2 tests.
- Access arrangements are adjustments that can be made to support these pupils.
- We must consider whether any of our pupils will need access arrangements before we administer the tests.
- Access arrangements should be based primarily on normal classroom practice and they must never provide an unfair advantage.
- The support given must not change the test questions and the answers must be the pupil's own.

Access Arrangements

Access arrangements might be used to support pupils:

- who have difficulty reading
- who have difficulty writing
- with a hearing impairment
- with a visual impairment
- who use sign language
- who have difficulty concentrating
- who have processing difficulties

These children may benefit from:

- additional time
- scribes
- a reader
- test modifications

How are we preparing?

- Continuous Assessment – identifying the gaps and helping to fill them
- Focused (timed) arithmetic lessons
- Focused SPAG lessons (Spelling, Punctuation & Grammar)
- Guided and Independent Reading
- Writing Assessments carried out regularly – pupils involved in this process
- Practising previous SATS papers
- Teaching 'test techniques' and vocabulary
- Homework to support teaching & learning in school
- Booster groups and intervention groups
- Keeping up to date with information provided by the DfE

Helping at Home

- Remember your child's education is a partnership. Meet with teachers at parents' evenings and see how they believe you can help.
- Support your child with their homework.
- Read regularly and discuss a variety of texts – don't just listen to your child read.
- Try short bursts of arithmetic practice and recalling times tables facts.
- Practise telling the time and problem solving etc.
- Regularly practise the year 5/6 key words/spellings.
- Use websites and online activities to practise skills.
- Encourage your child to believe in themselves, "You can do it!"
- **Do not** put your child under too much pressure. Have fun, they will find things easier to remember if they remember the good times they had learning.
- Help children to relax and do things that are not related to school.

Throughout the Year we Recommend ...

- Early nights and lots of sleep
- Good attendance
- Good punctuality
- A good breakfast every day
- A positive attitude - encourage your child to embrace the mistakes that they make and to learn from them
- Lots of praise and encouragement

How can we rest and relax?

- Take a warm bath to help the body reach a temperature that is ideal for rest.
- Read a book or listen to gentle music to relax the mind.
- Don't take technology, such as phones, iPads, laptops or televisions into your bedroom or other place of relaxation.
- Slowly count to 10.
- Exercise releases happy feelings into your body and helps you to sleep better.
- Take 'time out' to calm down.
- Draw a picture.
- Talk to someone and tell them how you feel.
- Ask for a hug.
- Take deep breaths.
